Villa Eshara is a large, fully staffed villa, situated in a quiet and peaceful street just 300 metres from the beach, shops and restaurants of central Seminyak. This versatile three-in-one property offers the choice of an 8-, 5-, 3- or 2-bedroom renting option thanks to a clever system of sliding doors and separate entranceways. Each villa has glamorous living and dining spaces and an integrated kitchen, while each ensuite bedroom has a king-size bed, a dressing area and a TV/DVD player. There are also three swimming pools set in tropical gardens complete with frangipani trees, coconut palms, sun loungers and timber decks.

Eshara villas are in the midst of a dense residential neighbourhood made up of local houses as well as hotels and villas - added more recently as Seminyak's popularity has surged - and criss-crossed by a network of narrow lanes. This immensely popular section of Seminyak is bordered by Camplung Tanduk to the south, Raya Basangkasa to the east and Jalan Kaya Ayu to the north, commonly known as Eat Street and filled with restaurants and chic boutiques. Bordering the fourth side are the popular beaches of Seminyak lined with a wide range of resorts, beach clubs and more restaurants. All along the main roads are diverse collections of shops, restaurants and bars.
