With its location in the residence Colony Club, Apartment Biba, is a fine and comfortable perch for exploring Gustavia's main attractions, like its shops, restaurants, and Shell Beach. Even better, it has lovely views over the harbor, especially at sunset time.

The simple and practical luxury rental property, which is a few steps down from street level, is very close by to the apartment complex's community swimming pool. Along with access to that area, it also has its own private terrace with seating and views.

Apartment Biba is newly renovated and decorated in soothing white and natural colors. It benefits from a spacious living area with a compact kitchen next to it. The apartment's primary dining area is outdoor table on the covered part of the terrace.

The living area can also be fully opened up to the outdoors or closed off and air-conditioned. It has comfortable couches and internet TV with a good variety of channels. Behind it, the bedroom has a king-size bed, a modern ensuite bathroom, and a dressing area.

The apartment also comes with a parking spot.
