Inside

The kitchen comes with handsome wood furnishing, from cabinets and doors with fine crafted molding and stainless-steel pulls, making extra storage a breeze! A range hood, gorgeous granite countertop, and bevy of useful appliances can be found around every corner. Last but not least, a series of windows with outdoor viewing and a center kitchen island completes the room. This versatile galley is perfect for dining, entertaining, or whipping up a fresh batch of margaritas.

The dining room features a beautiful round supper table, set for a party of six. The dark highbacked chairs contrast perfectly with the light granite tabletop, rivaled only by the stunning view from beyond the window.

The family room is guaranteed to bring your entire crew together! Here, you will uncover a cozy couch and sofa, along with a flat-screen television, and additional guest seating! Take advantage of some of that indoor/outdoor island living by opening up the sliding glass doors and letting the breeze work the room!
