Inside

Granite countertops, stainless steel appliances, and pristine white cabinetry invade the gourmet kitchen, as vibrant pops of color are peppered throughout. Be sure to take advantage of the kitchen island, which serves as a charming breakfast nook, staged beautifully with four bar stools.

The family room showcases a cozy sofa, chaise lounge, and a hip-to-the-minute recliner, all designed to put your comfort first. Whether you are binge watching your favorite show upon the wall-mounted flat screen television or relaxing with your feet up as the palm leaf paddle fan bathes you with refreshing cool air, you're guaranteed to fall madly in love with this room.

Stately ornate pendant lighting and a rich rustic supper table make the banquet room ideal for any occasion, from romantic dinners to large family celebrations!

Outside

A vacation home as remarkable as this would not be complete without a show-stopping pool and built-in spa. However, the view alone is worth the price of admission!

Cascading with palms and a variety of vivacious greenery, this veranda is more of tropical oasis than an outdoor patio. Take a dip, a soak, or simply enjoy dining al fresco in your very own outdoor kitchen, complete with a grill, sink, refrigerator, and more!
