Inside

Showcasing a wide-tiled backsplash, lustrous white cabinetry, and glass black sidewall, the kitchen is playfully reminiscent of a classic 1950's diner! The black granite countertop, fine fixtures, and high-end appliances help bring this fashionable station to life!

In the adjacent room lies the dining room, featuring a modern chandelier, handsome wooden supper table, and stylish seating, set for a party of eight.

The family room is where you'll want to schedule some quality time! This idyllic layout presents a sleek couch, two leatherbound guest chairs, two highbacked swivel chairs, and a massive wall-mounted flat-screen television.

Outside

Time to take things to the next level by escaping out onto the veranda, where a whole new lifestyle awaits! Here, you will uncover beautiful, tiled flooring beneath an endless array of chic patio furniture, as well as a magnificent rustic dining table, contrasted perfectly by a set of six on-trend woven chairs.

Feel free to throw a gathering underneath the pergola or host an unforgettable pool party that the entire family will enjoy! Looking for a romantic evening? Take off on a stroll around the lush grounds as you stargaze the night away.
