Inside

A stunning accent wall serves as the perfect backdrop to the living room, showcasing a wall-mounted flatscreen television, double-wide guest seating, and a comfy sectional. In addition, you will uncover convenient shelving and a matching coffee table, perfect for resting that evening nightcap or hosting a friendly game of cards.

Bring the entire family together by cooking up their favorite dish. The kitchen is contemporary with a midcentury modern edge, presenting dark brown cabinetry with contrasting cream countertops, and a matching kitchen island, displayed with four bucket seat bar stools. Meal prep is an absolute breeze, as you are invited to take advantage of an array of built-in stainless-steel appliances, all included for your convenience.

The banquet area showcases a chic glass top dining table with six high backed chairs. Modern décor graces the walls, complimenting the vibrant blue area rug whilst subtly contrasting the pops of color throughout the room. With a view this striking - who needs to go out for dinner?

Outside

After a full day of fun in the sun and white sandy beach, make your way back to your beautifully manicured backyard patio, stocked with lounge chairs, outdoor dining, and a beautiful pool (with a slide!) for you to cool off.
