Beverly Hills 5

🛏 4 🚿 7 👤 8 🏠 2000 sq.ft

This property enjoys more than an acre of verdant grounds, including an exquisitely-maintained tennis court, which preserves its privacy. At the same time, it is within walking distance of the world-famous Sunset Strip.

This home offers four en-suite bedrooms, including a sumptuous master bedroom. The interior is dominated by a 2000 sq/ft great room with gleaming high ceilings. A designer gourmet kitchen and dining room mean that you can host formal dinners, but an outdoor kitchen and dining area by the infinite edge pool means that if you would prefer to host a pool party you can. The master bedroom and its sister suite both have tremendous master closets, and bathrooms with double vanities and steam showers. The master suite also boasts a free-standing tub and immediate access to the pool. Both other bedrooms also enjoy private toilets and showers.

Perched on the periphery of the Hollywood Hills, this Beverly Hills luxury vacation home has an attached, three-car garage, and a gigantic gated motor court with sufficient parking for more than 15 cars.

All the attractions and noteworthy locations of Beverly Hills, from Beverly Gardens Park to the Virginia Robinson Gardens and Greystone Mansion, are a few minutes away, as is Rodeo Drive. Follow Santa Monica Boulevard for approximately half an hour to hit the Pacific Coast.
