

# Big Sky 14

Region: Big Sky Bedrooms: 2 Sleeps: 6 Bathrooms: 2

This comfortable cabin-style home is suited for a family, offering 2 bedrooms and 2 bathrooms. The first bedroom provides a queen bed and private bathroom, and the second provides twin bunk bed sets.

When your day of adventure comes to an end, take a dip your private hot tub and enjoy the majestic view of Lone Mountain and the valley below. this home sits just at the tree line, giving you a private place to retreat and soak in the incredible surrounding scenery. During chilly winter evenings, slip inside, gather by the fireplace, and enjoy Direct TV and WiFi. For your convenience, the cabin offers a washer and dryer.

Nestled just at the tree line, so you can enjoy your own outdoor hot tub in private. Vacationing with the kids? After a long day of adventures, the kids can play around the cabin while the adults enjoy laughter and good cheer. Whether you join us in the summer or winter, everyone will have the ultimate Montana experience in these cozy cabins.
