

Big Sky 16

Region: Big Sky Bedrooms: 5 Sleeps: 15 Bathrooms: 5.5

With convenient ski in/ski out access to all of the resorts terrain, this spacious suite can be enjoyed year-round. The luxury suite allows you to enjoy incredible alpine views and luxury accommodations that will surely become a home away from home.

An ideal choice for family and friends, there are 5 bedrooms and 5.5 baths. Three bedrooms offer king beds, TVs, and private bathrooms. The master bedroom is also equipped with a luxurious steam shower and jetted tub. In the third bedroom there is a twin bunk bed set, a bunk bed set, and a private bathroom. The fifth bedroom has two full beds and a private bathroom. The living room is appointed with a cozy gas burning fireplace, and a separate family room with a home theater and a pool table is the perfect indoor retreat for fun days at home. The suite also offers a private deck with a hot tub.

For your convenience, there is a one car garage designated for your suite as well as a laundry room.

Please be advised that this home does not have air conditioning.

Guests can enjoy access to the private Moonlight Club for an optional fee including: * The private Moonlight Lodge * Fitness center * Outdoor pool and hot tub * Four season outdoor activity center

Early season ski-in/ski-out access begins in early December
