

Big Sky 23

Region: Big Sky Bedrooms: 5 Sleeps: 17 Bathrooms: 4.5

Perched on a hillside overlooking Big Sky's Mountain Village, offering unobstructed mountain views and direct access to the slopes in the winter from the Cascade chairlift with two groomed ski run options.

Ideal for large groups or extended families, this newly constructed, three-level home comfortably sleeps up to 17 guests between 5 bedrooms and 2 bonus areas. With over 4,000 square feet of living space, the home offers plenty of space to relax both indoors and out, including a private deck overlooking Lone Peak with a BBQ grill and outdoor seating.

Styled in Mountain-modern decor, this custom home features top-of-the-line appliances, granite countertops, a Sonos sound system, Apple TV on all TVs and a game room. Natural light streams through floor-to-ceiling windows, creating an inviting atmosphere on the main level, which features a seamless flow between the living, dining and kitchen areas. Comfy sofas and a wood-burning fireplace in the living room invite guests to relax after a day on the mountain, while a cozy breakfast bar allows for catching up over hot cocoa or a glass of wine in the gourmet kitchen.

The master suite enjoys privacy as the only bedroom on the main level. This room features a king-sized bed, en-suite bath, and views of Lone Peak.

Four other bedrooms are located on the lower level. The guest master has a king-sized bed and en-suite bath with luxurious tiled shower. The third bedroom also has a king-sized bed, and the fourth bedroom has a queen-sized bed. These bedrooms share a bathroom with a shower. The fifth bedroom has three sets of twin bunk beds and a private bathroom with a combination shower and bathtub.

A bonus room on the upper level features a queen sleeper sofa and twin sleeper chair with an en-suite bath. This area also has a game table, flat-screen TV, Xbox, wet bar, and mini-fridge, giving kids their own space to play. A family room on the lower level offers even more space to relax, with direct access to a lower-level patio with a private hot tub with views of the towering pines just outside and ski slopes in the distance. This living space also features a queen sleeper sofa.

In addition to prime ski access, this beautiful home is also ideally situated to enjoy Big Sky's summer activities. Hop on the Beehive Basin Trailhead, a 3-minute drive, or explore lift-served hiking and biking at the Big Sky base area, accessible in less than 5 minutes. Restaurants, nightlife, shopping and entertainment in downtown Big Sky are 10 minutes away. A 2-car garage allows you to easily explore the area.

Please note that 4-wheel drive vehicles are necessary for winter rentals at this property.
