

Big Sky 28

Region: Big Sky Bedrooms: 5 Sleeps: 15 Bathrooms: 5

Sophisticated and contemporary, this home is a year-round getaway with spectacular mountain views of Lone Mountain. In winter, this property is ski accessible with easy access to the White Otter lift.

There is one bedroom on the main level, which has a king bed, TV, and private bathroom. Three more bedrooms are located downstairs, two of which offer king beds and the last of which has a Captain bunk bed, each with a TV. One of these bedrooms offers a private bath, while the others share a hall bath. The final bedroom is located above the garage with two custom built-in twin over full bunk beds, a queen sleeper sofa, TV, Xbox, and a private bathroom.

Offering a SONOS sound system on the main level. All guests have to do is download the app to their smart phone and they will be able to control music from your phone.

The game room is downstairs and has a pool table and TV/DVD player. The covered deck has a gas grill and private outdoor hot tub and the two car garage offers boot dryers and ski cubbies for your convenience.

Please be advised that this home does not have air conditioning.

Early season and late season ski access is condition-dependent and dictated by Big Sky Resort operations.

Please note that 4-wheel drive vehicles are necessary for winter rentals at this property.
