This single-level home features a spacious living area with two comfy sofas and a large-screen TV framing a cozy gas fireplace, with picture windows overlooking a private deck and unobstructed views of Lone Peak. A gourmet kitchen provides everything guests need for home-cooked meals, with seating for 10 guests between a formal dining table and breakfast bar. You can enjoy dinner outside on the private deck, which offers patio seating.

Ideal for families, this 3-bedroom condo features two master suites with king-sized beds and en-suite baths, and a kid-friendly bunk room with two sets of twin bunk beds and a shared bath. Access to a community swimming pool, hot tub, fitness suite and game room ensure guests of all ages remain entertained, both on the mountain and off.

When you do hit the slopes, you will have the convenience of a private ski storage and dressing room next to your private parking space in the shared garage, and the option to take the free Skyline shuttle to the base area if you prefer not to drive. There is one additional parking spot outside as well.

In the summer, take advantage of the Beehive Basin trailhead just 5 minutes away, or enjoy lift-served mountain biking and hiking. You can also stroll or drive to Lake Levinsky, where you can rent canoes or peddle boats. Shopping, dining and family-friendly events await just 10 minutes away at Big Sky Town Center.

No matter how you choose to explore, let this mountain lake condo be your convenient homebase in the heart of year-round adventures.
