Big Sky 8

🏠 4 🛏 4 👥 10

Offering spectacular panoramic views of the Big Sky area and luxurious finishings and decor. Relax by the fireplace and take in all the beautiful views for which Big Sky is famous! These luxury suites offer year-round fun for the whole family and redefine convenience with direct ski in/ski out access to Big Sky Resort.

The suite offers 4 bedrooms, each with luxurious private bathrooms, and an additional half bath. Three of the bedrooms are located downstairs, giving them access to the hot tub. One bedroom downstairs as well as the upstairs bedroom provide a king bed and a gas burning fireplace for premium relaxation. The other downstairs bedrooms offer a queen bed and a twin over queen captain's bunk with a twin trundle respectively.

For your entertainment when you're not enjoying the beautiful slopes, the living room boasts a smart TV, DVD player, a Wii console, and an iPod dock for playing your favorite music throughout the suite. There is also a wood burning fireplace for comfortable evening gatherings. A deck off the suite provides access to the hot tub as well as a gas grill. There is also a laundry room for your convenience.
