Bedrooms

Bedroom 1 (Second level)

- King Bed
- This suite has the second, and middle level, of the home level all to itself, complete with an en-suite bathroom with a shower-tub combo. This level can be accessed from inside the home or directly from the exterior via the grand stone entryway leading up from the ground level.

Bedroom 2 (Ground Level)

- Queen Bed
- This rustic styled room has a workstation and an en-suite bathroom with a shower-tub combo.

Bedroom 3 (Ground Level)

- Twin Bed
- This bonus room has a twin bed as well as a queen sleeper sofa. This room offers a bathroom with a walk-in shower that shares a space with the home's laundry room. This room is accessed from the main level of the home or directly from the outside.

Good to know

- The grounds of the cabin include a patio area with Adirondack chairs, a gas firepit, and a private hot tub.
- Please note that a four wheel drive vehicle with winter tires and winter driving experience is required for access during winter months.
- For backcountry skiing enthusiasts, this home offers unbeatable proximity to the skin track. In the summer, enjoy quick access to Big Sky's most spectacular hiking trails and some of the best wildflower viewing in the lower 48.
