

📍 Bradenton

Bradenton 15

🛏️ 4 🍽️ 2 👥 8

The modern kitchen has plenty of counter space for more than one chef and everything you will need to prepare gourmet meals. The all-new stainless-steel appliances make cooking a breeze. This Kitchen also comes with a double oven when preparing those large family meals! Dining in? Off of the living room is the dining room that offers seating for 8 to enjoy home-cooked meals with additional seating around the kitchen bar.

Off the dining room are french doors that lead out to the elegant crystal clear waters of your own private pool! The large patio and open space offers plenty of room for socializing and summer fun. Included is propane grill , as-well as an outside shower to keep dirt away. Additional seating and space around the pool and upper deck is plentiful allowing you to enjoy beautiful sunsets to the west. The pool can be heated during the colder days for an additional charge.

Trying to figure out sleeping arrangements? The top floor of the house has 3 bedrooms, the master bedroom which comes with a King bed and flat screen TV, the second bedroom has a queen bed and the third has two twins. The 4th bedroom is on the first floor and comes with a Queen bed and flat-screen tv.

Pets are accepted with an additional Pet Fee, inquire for more info pool heat is additional **Damage Waiver: The total cost of your reservation for this Property includes a nightly damage waiver fee (Management), plus tax if applicable
