Bukit 6687 - The Pala

🛏 6 🚿 6 👤 12

The Pala is one of four luxury villas on the Pandawa Cliff Estate high above the ocean on Balis scenic Bukit Peninsula, making a superb wedding and event venue. Four spacious ensuite guest rooms are each divided by sliding screen doors to create either a lounge, study or childrens bedroom. The fifth guest room and the villas luxurious master suite offer panoramic views over the 20-metre pool and ocean. The villa has four dining areas, a spa treatment room, fitness room and childrens playroom, along with a sports centre with tennis and squash court and a large team of staff to take care of every need.

One of three villas in the exclusive Pandawa Cliff Estate, The Pala rises from the cliff edge 100 metres above the white sands of Pandawa Beach on Balis southernmost tip. The vast expanse of the Indian Ocean fills ones view. On the beach (a short drive from the villas) you can swim, snorkel, hire a kayak or sip an ice cold Bintang at one of the simple local warungs. This is possibly the remotest part of Southern Bali - and yet Uluwatus revered cliff-top temple, Balis famed surf breaks, the fish restaurants of Jimbaran Bay, and even the airport are all within a half-hour drive.

Location

Peacefully and privately situated, at the end of a winding country lane on Bali's southernmost tip, The Pandawa Cliff Estate is a hidden paradise overlooking the Indian ocean from its enchanting cliff-top setting.

Apart from a handful of other luxury villas sprinkling the cliff top, and the beach huts and local cafes bordering the white sands of Pandawa Beach far below (named after the five warrior brothers of the Mahabharata epic, whose white stone statues are carved into niches along the road leading down to the beach), there is little development in this unspoiled corner of Bali. But despite it's tranquil, rural setting, The Pandawa Cliff Estate is less than 30 minutes' drive from Bali's international airport, and within easy reach of several glorious surf beaches, the sacred sea temple of Uluwatu, and the many restaurants and beach bars of Jimbaran and Nusa Dua.
