Bukit 4715 - Villa Hamsa

🛏 4 🚿 4 👥 8

4-bedroom Villa Hamsa forms one half of the Sohamsa Ocean Estate, together with 5-bedroom Villa Soham. These magnificent, modern, cliff-top villas lie on the southernmost tip of Balis ruggedly beautiful Bukit peninsula. Villa Hamsa offers spectacular ocean views, stunning living space, large swimming pool, gym and massage room. Fully staffed, including a skilled chef and a driver with 7-seater car, Villa Hamsa is perfect for guests seeking a luxury villa holiday off the beaten track yet within easy reach of the airport, Balis world-renowned surf breaks, beautiful sandy coves, the revered sea temple of Uluwatu and some excellent restaurants.

Villa Hamsa rests within the two-villa Sohamsa Ocean Estate right on the edge of the Bukit peninsula, a limestone plateau on the southernmost tip of Bali. It shares the same sweeping ocean views with a small community of top-end villas hugging the cliff edge. A five-minute drive from the villa is Pandawa Beach where shallow turquoise waters lap the expanse of white sand lined with warungs (local eateries) - perfect for swimming, snorkelling and kayaking. Though semi-remote and delightfully unspoilt, theres plenty to do and see within a half-hour drive: Uluwatus sacred sea temple, Balis most famous surf breaks, some chic beach clubs, and the restaurants of Jimbaran Bay and Nusa Dua and the airport is not much further.

Location

Sohamsa Ocean Estate lies at the edge of the Bukit peninsula, a limestone plateau on the delightfully unspoiled southernmost tip of Bali. It rests within an exclusive enclave of luxury villas that line the cliff high above the Indian Ocean - seemingly miles away from the island's busiest tourist districts yet just half an hour from the airport. While there is little within walking distance in this dramatic rural setting, just two kilometres away is Pandawa Beach with its stretch of white sand, local cafes and sea sports. Hidden beach coves and famed surf breaks are within easy reach, as is the sacred sea temple of Uluwatu, some very cool beach clubs and the restaurants of Jimbaran Bay and Nusa Dua.
