Villa Canggu North is a fashionable, two-bedroom designer villa situated only 100 metres from Nelayan Beach, in Canggu, and featuring eye-catching murals, paintings and sculptures from some of Indonesia's leading young artists. The two-storey, air-conditioned villa comes fully staffed with a manager, butlers, car and driver, and a private chef who will prepare a wide range of delicacies from the villa's priced menu. Downstairs is a kitchenette, dining and living room with large TV and DVD player, and a private swimming pool and sun terrace. Upstairs are two interconnecting ensuite bedrooms with king-sized beds (convertible to twins) and ensuite bathrooms.

Villa Canggu rests in the village of Nelayan in the sleepy, yet increasingly popular, district of Canggu about three kilometres from the main Canggu Road. The rolling surf of Echo Beach (Batu Mejan) is just a five-minute drive or a 20-minute walk along the seashore, and this is where you will find a good choice of local restaurants including Skallywags, which serves a daily barbecue. The trendy shops, restaurants and nightlife of Petitenget and Seminyak can be found within 10km.
