

Canggu 4617 - Villa Sarasvati

Region: Canggu Bedrooms: 4 Sleeps: 8 Bathrooms: 4

Dea Villas offers four glorious residences moments from Berawa Beach north-west of Seminyak. Each has its own character and style, from heritage-chic to ultra-contemporary, and each occupies multiple pavilions set in private gardens with swimming pool, lotus ponds, sun deck and bale. Shared facilities include 29 staff, a gym, spa and childrens playground, and guests enjoy complimentary welcome drink and fresh fruit basket upon arrival. The villas - two 4-bedroom, one 3-bedroom and a one-bedroom - can be rented separately or together in different configurations - perfect for everyone from a honeymooner couple to two families in adjoining villas to a 30 wedding party.

Dea Villas is located in a quiet street in the rural district of Berawa, near Canggu. There's not much in the immediate area apart from a number of luxury villas, acres of rice fields and the rugged surf beach of Berawa (2km). Within a two-kilometre radius of Dea villas are a number of cafe-style restaurants, a delicatessen, some simple spas, and a yoga venue.

The layout

Indoor living

- Large open-plan living pavilion with three walls of glass doors that slide back for fan-cooled tropical living or close for air-conditioned comfort.
- Deeply cushioned wicker sofa seating area.
- Huge suarwood dining table with bench seating for 14, separated by a marble-topped bar counter from the open-plan guest kitchen which is well-equipped with wine fridge, espresso machine etc. Staff kitchen behind.
- Upper-level air-conditioned TV room with sofas and banquettes facing a 52-inch TV with DVD player and surround-sound system. Also has a desk, shelf of books and Yamaha piano.
- Art gallery entrance hall bedecked with artefacts.

Outdoor living

- Large 20m swimming pool with shallow section, edged with fire-bowls.
- Ironwood deck with sun-loungers and seating.
- Huge open-sided pergola-style covered garden room with all-weather seating.
- Two antique pondoks (ricefield shelters) in a large, shaded tropical garden complete with petanque court and giant garden chess.
- Shaded terraces on both levels of the bedroom pavilion, with clusters of casual seating and daybeds.
- Private gardens and rooftop terraces by the bedrooms.

The rooms

Two master bedroom suites

- Both master bedroom suites on the ground floor feature reclaimed teakwood floors, king-size beds, window seat that converts to a single bed for kids, and huge dressing areas.
- Each comes with an iPod dock, 32-inch TV with cable channels and DVD player
- Choice of air-conditioning or overhead fan.
- Large garden bathrooms with walk-in rainshower, twin basins and terrazzo bathtubs looking.
- The main master has its own private garden with table and chairs and separate Balinese entrance set into the boundary wall.

Two guest bedroom

- Both upstairs air-conditioned guest suites offer the flexibility of twin beds that can be configured as a king and have a window seat that converts to a single bed for kids.
- Each comes with an iPod dock, 32-inch TV with cable channels and DVD player.
- Bright indoor shower room with vanity and rainshower, reached via a walk-through dressing area and a statement bathtub set on a completely private sun-terrace for alfresco bathing.
