

# Villa Belle Bague

Region: Colombier Bedrooms: 4 Sleeps: 8 Bathrooms: 6

High on a hillside in Colombier, Villa Belle Bague enjoys 270-degree views over the Caribbean Sea from St. Kitts all the way to Anguilla to the west. Well appointed and furnished with fine antiques and all modern conveniences, Villa Belle Bague is both appealing and luxurious.

Three of the four bedrooms are in separate cottages located around a cloister with a stone fountain. Each is furnished with traditional colonial-style furniture augmented by exquisite upholstery and window treatments. Each has a private terrace furnished for sunbathing, a bathroom with a granite-topped vanity, HDTV and more. The fourth bedroom is similarly furnished, facing the pool terrace.

The common areas consist of a large living room with walls of French doors, a 42" plasma HDTV and state-of-the-art music system; a dining room complete with a French sideboard and an antique Anglo-Indian chandelier; a breakfast terrace with an adjacent area for enjoying morning coffee; a professionally-equipped granite and stainless steel kitchen; a fully-equipped gym; a cocktail terrace with a bar, and terraces and decks surrounding a 40' heated pool with a granite-faced waterfall.

This walled villa is private and protected by a security system.
