Villa cleaning and sanitation

All villas are cleaned and sanitized prior to each guest's arrival. We also ask our owners to provide a starter supply of extra cleaning products.

Additional housekeeping services can be purchased after booking in 3-hour time blocks. Scheduling may be coordinated with your property manager upon arrival.

Beach Notes

All beaches in Grand Cayman are technically public since the King owns up to the high watermark. Be advised, the beach or water entry behind your property may vary slightly from the images displayed due to weather. The next-door beach is also always available for your use.

Ocean Debris & Sargassum Seaweed

Beaches in Grand Cayman may also experience floating ocean debris and sargassum weed seasonally. Sargassum is a generally harmless floating seaweed that has increased in frequency in recent years. Although sargassum is an unsightly nuisance, it is largely seasonal in summer. Our owners do make efforts to remove heavy sargassum and will have the beach raked prior to your arrival.

Should sargassum be extremely heavy behind your property, we will reach out to the owner for alternative solutions which may include a partial refund or relocation. We try our best to work around mother nature.
