This 4-bedroom, 4-bathroom cabin rental is ideally located in the Gatlinburg Falls Hidden Valley Resort and features fantastic views of the Great Smoky Mountains through walls of windows and from two decks, and offers enough luxury living space to sleep up to twelve guests, as well as entertaining amenities including a private hot tub and game tables.

Inside, you will be first greeted by a spacious, open-plan living area with comfortable sofa seating and a large flat-screen TV. Large windows frame the outside surroundings perfectly, and on cooler evenings, the electric fireplace will provide both heating and atmosphere.

Steps from the living area, enter the fully-equipped kitchen, furnished with all the necessities for you to cook and serve your favorite meals, with the exception of the ingredients themselves. The seated breakfast bar and dining table provide ample space for everyone to dine together, and when you are finished, allow the dishwasher to take care of the mess.

On the upper level of the home, you will find a spacious game room. This is perfect for keeping everyone entertained in the evenings, be they a future pool champion, shuffleboard expert or air hockey extraordinaire, this game room has something for everyone. It even features a large flat-screen TV, sofa-seating area and en-suite bathroom so you never have to miss the big game, and large windows provide a stunning backdrop.

Outside, why not de-stress with a session in the private hot tub, or enjoy a morning coffee in one of the rocking chairs while taking in the scenery? The home also benefits from access to the Gatlinburg cabin community swimming pool in the summer months.
