Mullins Beach

Located on the West Coast of Barbados, in the desirable parish of St. Peter, Mullins Beach has earned a reputation as the place to be. With calm, clear waters, this popular beach is safe for children and ideal for swimming and snorkelling. There is a wide variety of watersports and boat trips available; visitors are encouraged to take a glass bottom boat out to see and swim with the turtles. After a busy day exploring the shops and architecture of nearby Speightstown, this west-facing beach is an ideal place to sit back, relax and enjoy the sunset over the beautiful Caribbean Sea.
