Outdoors

Thrown some burgers on the built-in gas barbecue, which features a mini-fridge, while kids take a refreshing dip in the saltwater pool. Dad can get some practice in at the private putting green and mom can kick her feet up in the covered patio area while enjoying the misting system. Put the kids down for bed and enjoy a cocktail on the patio in front of the gas fireplace on the patio or take in a nice soak in the spa. Amazing pool table just outside the master suite under a shaded structure. Challenge friends or family to a game of ping pong or shuffleboard, I got next!
