This awe-inspiring six-bedroom villa spans five luxurious levels and hovers above the ocean on a secluded Kamala headland on Phuket's famous Millionaire's Mile. You'll have no choice but to succumb to Villa Minhs considerable charms: each component of this grand home has been exquisitely detailed with care and thought given to integrating the modern Asian design within its beautiful natural surroundings. Fully staffed Villa Minh offers the privacy of an exclusive estate, yet is within striking distance of Patongs vibrant nightlife and the Blue canyon Golf Club, and only half an hours drive from Phuket International airport.

Villa Minh is part of the four-villa private Jomchang Estate along the Millionaires Mile road on the headland that separates Patong and Kamala. Patong Beach is about 15 minutes away by car. Along the exclusive headland road are some five-star resorts offering good dining choices, including Paresa, Cape Sienna and Andara. Kamala is home to a number of casual dining options and tourist-oriented shopping, and its soft-sand beach and calm, shallow bay is a favourite for families. Minhs private steps lead close to the sea but not directly to it - the sea here is not safe for swimming.
