The word KISHTI in Urdu, a language derived from the Arabic and Hindi languages, means a boat, an ark, or a canoe. It is quite frequently used in poetry and verse, set to Indian music to reflect life, love, god, and possibly other things left to the writers imagination. This villa is designed by renowned international designers Cecconi Simone Inc. and architecture by Frank Hamilton have resulted in a contemporary villa with stunning design and architectural details that will offer an enriching, enlightening, and rewarding lifestyle experience. Fronted by the Villas volcanic rock shoreline, large infinity pool, Grotto with a hot tub, giant shaded bed, music, and a bar, the Villas angled and sloping roofs are KISHTI's signature features, quite unique on the island. The spirit of this villa is captured in the simple luxury afforded by an exceptional location, harmoniously blended with a very desirable environment. It has embraced its secluded setting with a modern villa with Asian sensibilities, to fulfill that very spirit and deliver a promise of unparalleled tranquility, sensual delight, and complete privacy. The Villa will provide a setting of natural beauty in which service excellence and guests privacy are paramount. A most spacious living room with a spectacular view of the water, an indoor-outdoor dining area to seat twelve to eight, and a modern kitchen will enhance ones comfort and overall experience. There are four bedroom suites with an office and exercise room with a private terrace that also serves as a recreation room. The villa may be rented as a one-bedroom, two-bedroom, or three-bedroom as well. The placement of three suites, each with its own private terrace, panoramic views of the Atlantic Ocean, assures individual privacy for guests. The master bedroom suite has its own private terrace, an outdoor shower, and an individual hot tub, all overlooking the Atlantic waters. Each suite, individually decorated, has its own refrigerator and coffee service. Anguilla's exceptional Caribbean beauty combined with an effortless living experience make the island an ideal getaway for the most discriminating traveler. Villa KISHTI will provide for a memorable visit to Anguilla by such a traveler.
