Lake Tahoe 1

🛏️ 2 🚿 2 👥 6 🏠 900 sq.ft

This 900 square foot 2 bedroom, 2 bath condo is centrally located to all Northstar has to offer no matter the season. Just a short walk across the parking lot is access to a ski lift in the winter, or a bike trail in the summer.

After a long day on the slopes, guests can cozy up to the fire on the comfy couch located in the living room. A few steps over in the newly-updated kitchen with stainless steel appliances and granite countertops, guests can also prepare a meal.

The master bedroom offers a queen size bed and television. The second bedroom has one bunk and one twin, and additional sleeping room is available on the fold out couch in the living room. There is also a new sound system and free wireless internet access available for your convenience. A community laundry room is available on the first level.

From the condo, guests are just a short walk to the Village at Northstar California, home to a wide variety of summer and winter activities. The home is also only a few miles from Lake Tahoe where you can find boating, jet skiing, parasailing, kayaking, shopping, and sightseeing activities.
