

Lake Tahoe 10

Region: Lake Tahoe Bedrooms: 4 Sleeps: 10 Bathrooms: 4.5 Area: 3500 sq.ft

This luxurious custom-built home is located in the Big Springs area of Northstar Resort. Beautifully decorated, this executive home has 4 bedrooms, 4 full bathrooms and 2 half baths, and offers over 3,500 square feet. The living room is open with high ceilings, and houses a large flat screen TV/DVD and a gas fireplace.

The master bedroom features a king sized bed and includes a fireplace, jetted tub, and flat screen TV/DVD. The second and third bedroom each have a queen bed, flat screen TV/DVDs, and private bathrooms. The fourth bedroom has two twin beds with a private bathroom. Additional sleeping room is available on the queen sleeper sofa and twin airbed in the family room, which has a large flat screen TV/DVD and a pool table. Wireless Internet access is available for your convenience.

From the home, guests are just a short distance to the Village at Northstar California, home to a wide variety of summer and winter activities. Guests have access to the Northstar Recreation center which provides pool and hot tub access. The home is also only a few miles from Lake Tahoe where you can find boating, jet skiing, parasailing, kayaking, shopping, and sightseeing activities.

Small hypoallergenic pets (20 pounds or less) are permitted.
