Perfect for couples or small families, this cozy 1 bedroom, 1 bath condo is ideally located near the Village of Northstar - with its abundance of summer and winter activities. Guests can access the ski lift in winter - which is only a short walk away. The home is also situated a few miles from the North Shore which boasts a variety of things to do in the summer including boating, jet skiing, kayaking, and parasailing.

After a day well spent in the great outdoors, guests can relax and unwind in the comfortable living room, replete with a comfy sofa and chair, flat-screen Smart TV, plenty of DVD™s, as well as a gas burning fireplace, ideal for chilly winter evenings.

Avid cooks will appreciate the well-equipped kitchen, with its granite countertops, ample cabinet space and breakfast bar that seats two. The dining table has room for four and is located adjacent to the kitchen. Should you like to cook alfresco, the deck off the kitchen comes complete with a gas grill, outdoor furniture, and spectacular wooded views.

The master bedroom features a comfortable queen-sized bed, its own flat-screen Smart TV, along with a shared en-suite bath. The sofa in the living room opens to a queen-sized bed that can easily accommodate two.

Guests also have access to 2 spaces for parking.
