

Mammoth Lakes 36

Region: Mammoth Lakes Bedrooms: 2 Sleeps: 6 Bathrooms: 2

Due to COVID-19, area offerings (restaurants etc) and communal area amenities shared with other groups of guests (ie: pools, spas, club access etc) are possibly limited or unavailable until further notice. Reach us at 877.805.7794 to discuss the impact on your stay dates.

Ideal for skiers who don't want to compromise comfort for convenience, the newly remodeled Crestview 35 offers chic, modern decor, lodge amenities, mountain views and space to entertain -- all within walking distance of shops, restaurants, and skiing or hiking at The Village at Mammoth and Canyon Lodge. The free shuttle stops just outside the building.

With 2 spacious bedrooms and a queen sleeper sofa, this light-filled corner condo comfortably sleeps 6 guests. The master features a king memory foam bed and en-suite bathroom with shower and bathtub, while the second bedroom offers a twin memory foam bed with trundle and a shared bath with shower in the hallway.

After a day on the mountain, recover in front of the Smart TV in the living room, or gather in the dining area for a meal with friends prepared in the gourmet kitchen. You'll find seating for 6 and an additional 3 at the kitchen island.

As a guest, you will also enjoy year-round access to Crestview's recreation room offering a sauna, hot tub, pool table, and BBQ grills with summer tennis courts.

We are licensed under Business Tax Certificate #7648-0079 with The Town of Mammoth Lakes and we are required to collect Transient Occupancy Tax.

Pellet Stove is not for Guest Use but the home is equipped with Central Heating.
