

Mammoth Lakes 39

Region: Mammoth Lakes Bedrooms: 2 Sleeps: 6 Bathrooms: 2

Explore year-round adventures in Mammoth from this charming 2-bedroom, 2-bathroom townhome in The Cabins at Crooked Pines, a newly constructed development nestled on the Sierra Star Golf Course and located on the free shuttle route to skiing at Eagle Lodge, or restaurants, shops and entertainment downtown.

Styled in modern mountain decor with warm tones and hardwood accents, this inviting condo welcomes you to an open living area with big picture windows and a seamless flow between the kitchen, great room and dining room. In the great room a plush, wrap-around sofa and comfy armchair surround a stone fireplace and Smart TV for cozy nights in after a day outside, while a 6-seat dining area allows for home-cooked meals around the table. A fully equipped kitchen boasts slate floors, stainless steel appliances and granite countertops with ample space to indulge your inner chef.

Ideal for families, this home comfortably sleeps up to 6 guests between a king-sized bed in the master suite, a queen bed in the second bedroom, and a queen sleeper sofa in the living room. The master bedroom has an en-suite bath. A second full bathroom and washer and dryer provide added convenience.

Outside, you will find tranquil grounds landscaped with soft grass, log benches and soaring pine trees. A covered patio with two lounge chairs overlooking the forested golf course gives you the perfect spot to take it all in. After a day on the slopes or trails, grab a seat around the community fire pit or take advantage of the shared BBQ grill for apres-ski at home. You will also have access to the in-ground community hot tub.

In the winter, walk to Chair 15 in less than 10 minutes for skiing and snowboarding, or take the free shuttle to Eagle Lodge, Canyon Lodge, or The Village at Mammoth. In the summer, walk to the Sierra Star Golf Course, explore nearby hiking trails, or enjoy lift-served mountain biking from The Village.

Restaurants, live music, and family-friendly entertainment downtown are an easy shuttle ride away -- or if you prefer, a leisurely 30-minute stroll. A private, underground parking place and one additional, unmarked underground parking spot also make it easy to explore Mammoth by car.
