

Mammoth Lakes 43

Region: Mammoth Lakes Bedrooms: 2 Sleeps: 6 Bathrooms: 3

Nestled on wooded grounds with towering pine trees and mountain views, Magnolia Lodge 3 offers the atmosphere of a secluded retreat with the convenience of out-the-door ski access, restaurants and shops just steps away.

Thoughtfully constructed with hardwood and natural stone floors, granite countertops, and a unique stone facade, this 2-bedroom condo is designed with modern amenities and a classic lodge ambiance, including 10-foot ceilings, a private deck and heated tile floors in every bathroom.

The spacious living area, styled in mountain modern decor, features two full-length sofas and a comfy armchair framing an impressive stone fireplace and 65-inch HD TV for cozy evenings after a day on the slopes. French doors allow light to flood the room and formal dining area, where a charming hardwood table with family-style breakfast bench seats up to 6 guests. In the gourmet kitchen, ample counter space and stainless steel appliances will delight the family chef. Or soak in your private hot tub after a day of exploring all that the Mammoth Lakes area has to offer.

Just up the stairs, the spacious master suite, elegantly styled with high-end linens and hardwood furniture, features a flat-screen TV and en-suite bath with a luxurious soaker tub and separate shower. The second bedroom has a queen-sized bed and twin, flat-screen TV and en-suite bath, while a queen sleeper sofa in the living area allows the home to comfortably sleep up to 6 guests. An additional full bath and private washer and dryer add further convenience.

Outside, a peaceful deck overlooks the mountains with a BBQ grill and private covered hot tub for apres-ski at home, although you will have plenty of options within walking distance in Mammoth Village. In the winter enjoy ski-in, ski-out access from the Village Gondola, located steps from your door, and in the summer, take advantage of biking and hiking trails, lakes, and the Snowcreek Golf Course, all a short drive away. Two heated underground parking spaces and a private entrance makes it easy to explore Mammoth by car.

Between its prime location, modern luxuries and flexible configurations, Magnolia Lodge 3 is an ideal escape for year-round adventure with friends or family.
