Nestled on naturally landscaped grounds with a feeling of total escape, this charming 1-bedroom condo lies a short walk from the chairlifts, rental shops, restaurants and events at the Village, providing a romantic escape for a couple or cozy retreat for a small family.

An open-concept floor plan welcomes you as you enter, with seamless flow between the living area, kitchen and a modern, 4-seat dining area. Relax on the full-length sofa, accented by chic fur throw pillows, to watch a movie on the flat-screen TV, or curl up in a cozy club chair with a good book. A wood-burning fireplace keeps the room toasty with mountain village ambiance. Find extra wood on the private balcony.

In the fully equipped kitchen, you will find stainless steel appliances and ample counter space for home-cooked meals. Grab one of two seats at the breakfast bar for cocoa or tea from the stove-top kettle.

This condo comfortably sleeps up to 4 guests between a queen-sized bed in the master bedroom and a pull-out sofa in the living room.

The master, styled in modern decor, also has a large mounted TV, full-length mirror, and plenty of storage space. A spacious, modern bathroom in the hall features dual sinks and a combination shower/tub.

As a guest of the San Sierra condo complex, you will enjoy access to a common-area washer and dryer, community hot tub, and on-site parking. Of course, with Mammoth Village a short walk away and a town shuttle stop within strolling distance, you will not need a car to access skiing, hiking trails, restaurants, parks, golf courses and other attractions - making this charming condo a convenient, year-round home-base.
