Nestled on forested grounds with sweeping views of the Sherwin Mountains, this condo is a peaceful retreat in the Snowcreek resort condo complex, conveniently located on the free ski shuttle route with easy access to restaurants, cafes and entertainment downtown.

Bright and airy with modern decor and whimsical flourishes, this stylish, 1-bedroom corner condo offers flexible accommodations for up to 5 guests, making it an ideal escape for families, couples or friends.

Recently updated with new appliances and decor, this convenient ground-floor condo opens onto a spacious living area with two full-length sofas framing a large-screen TV. A wood-burning fireplace, set against a chic stone-brick wall, creates an inviting ambiance for cozy evenings after a day on the mountain. Each couch folds out into a full-size sleeper sofa.

A passthrough counter and breakfast bar opens the living room to a modern kitchen with stainless steel appliances and tile countertops, while an open plan creates a seamless flow between the kitchen, living room, and four-seat dining area, which overlooks the mountains through sliding glass doors leading to the patio. Three additional seats at the breakfast bar add a kids table or quiet spot for morning coffee.

On blue-bird days, fire up the patio BBQ grill for apres-ski at home, or enjoy the cool breeze of a high-altitude summer as you prep hamburgers for a family dinner.

After a day of exploring Mammoths year-round recreation, retreat to the master suite, which boasts a king-sized bed, full bathroom with combination tub/shower, mirrored closet, and flat-screen TV. Picture windows reveal landscaped grounds outside.

Just outside this room is a built-in bunk bed, ideal for families with small children as these beds are smaller than twin size. A washer and dryer, outdoor ski storage, and indoor gear closet add convenience.

In the winter, take the free ski shuttle to the Eagle Express chairlift for skiing and snowboarding, or take advantage of on-site parking and drive to The Village, accessible in just under 10 minutes. You will also have easy access to cross-country skiing, snowshoeing, dog sledding and more.

In the summer, explore miles of hiking and biking trails just outside your door at Snowcreek Meadow Preserve, play around at the Snowcreek Golf Course, or take a cruiser bike on the paved Town Loop Trail to the restaurants, cafes, and family-friendly entertainment downtown.

As a guest of the Snowcreek resort complex, you will enjoy access to the clubhouse with indoor hot tub and sauna, located steps from your door.

However you choose to explore Mammoth, this inviting condo will give you a stylish place to call home with easy access to adventure and the amenities of a lodge.
