The villa’s terrace and interior are seamlessly fused, with ample living areas in the sun or shade. Play Basketball under the palms and get your workout in before you spark the grill in the afternoon and gather for meals on the veranda. Linger outdoors under the evening sky, dipping into the floodlit pool while sipping drinks. The interior offers a cool counterpart to the sun-kissed terrace, with smooth Limestone floors, natural wood accents, and superb touches of Tropical decor and contemporary artistry. Enjoy quiet afternoons or festive evenings in the TV lounge, and savour a special dinner before a night on the town.

The single-level home features 6 bedrooms and GYM for a quick work out before you start your day. The master suite with king bed overlooks the pool and includes an ample en-suite bathroom. The bedroom arrangements are perfect for families, business travellers, and groups of friends seeking extra privacy amid the city’s myriad delights.
