

📍 Park City

Park City 106

🛏 5 🪑 6 👥 12

This stunning home infuses elements of Park City's mining history with modern architecture, featuring hardwood floors and beams, vaulted ceilings and custom lighting. This home also offers easy access to the shopping, dining and live entertainment of Main Street. Gas fireplaces, large-screen plasma TVs and a private hot tub welcome guests after a day on the slopes. Each bedroom boasts a private bath and unique amenities, from a wet bar to a two-way fireplace. Experience the ultimate in luxury and convenience with this finely appointed 4,500 square foot ski home.

Spectacularly designed with LiteTouch custom lighting, hardwood floors and vaulted ceilings, this finely appointed home offers a private hot tub, gas fireplaces and large-screen plasma TVs throughout. Experience the ultimate in luxury and convenience with this exceptional ski home.

During the Sundance Film Festival this home requires a security deposit.
