

📍 Park City

Park City 125

🛏 4 🪑 4 👥 8

Key Features

- 4 bedrooms
- 4 bathrooms
- Sleeps 8
- Furnished decked area
- Shared hot tub
- Shared outdoor pool (heated)

Bedrooms

- Bedroom 1 - King-size bed - This suite lies just off the terrace, offering striking mountain views from two walls of floor-to-ceiling windows. Guests also have a fireplace, Apple TV, and en-suite bathroom with a wet room housing the bathtub and rain shower.
- Bedroom 2 - Queen Murphy Bed - This room has its own terrace, offering sweeping views through two walls of floor-to-ceiling windows. Groups may choose to fold up the Murphy bed and use this room as a yoga studio or office. Guests have Apple TV, desk, and en-suite bathroom with a step-in glass shower.
- Bedroom 3 - Queen Bed - This charming, Western-themed room has its own Apple TV and floor-to-ceiling windows looking north, down and across to Park City. Guests have a private bathroom with a step-in glass shower.
- Bedroom 4 - Queen Bed - This room is elegantly styled with glass nightstands and a chaise lounge, which rests next to the floor-to-ceiling windows. Guests have a wall-paneled Apple TV and en-suite bathroom with a combination shower/bathtub.

General

- Private elevator entrance to the residence adds convenience and security.
- Guests also have a private washer and dryer.

Location

Nestled at the base of Flagstaff Mountain, this condo offers easy access to a variety of ski runs for all abilities, with on-mountain dining and amenities a few runs away. A reserved underground parking space makes it easy to explore the surrounding area during your stay or use the Empire Express shuttle to access apres-ski options at Silver Lake Village to the restaurants, shops and entertainment on Main Street, both less than 10 minutes away.
