Facing beautiful Natai Beach, this is an elegant four-bedroom ocean-side retreat ideal for families and groups. Just 30 minutes from Phuket airport yet well away from the crowds, The villa offers a 20-metre seafront pool, chic yet comfy living areas, spa, gym and a wide terrace for taking in the majestic ocean and sunset views. The poolside master suite also boasts lovely sea views, and all four bedrooms are lavishly appointed with ensuite bathrooms. The villa is staffed with a full-time housekeeper and chef. Awaiting discovery beyond the villa are the endless beaches, jungle parks and glittering bays of Phang Nga.

Natai is a beautiful beach of soft golden sands that sweep up the Andaman coast for 10 kilometres. The beach lies within Phang Nga province, just across the bridge from Phuket Island,. Strict building laws have limited development in the area, and only a handful of luxury villas and small upscale resorts are sprinkled along the beachfront. Inland, a quiet rural landscape remains intact with lush coconut groves and green fields where water buffalo roam. The nearest town of Kokkloy has a few banks and shops, but for shopping and nightlife, its best to take a drive to Phuket. Beyond the villa, find some excellent upscale dining spots at nearby beachfront resorts, while some of Thailand's most enchanting sights are easily reached, including Phang Nga Bay and the Similan islands.
