Facing 10-kilometres of near-deserted golden sand on Natai Beach, five-bedroom North Villa at Twin Villas Natai is a stylish retreat with spectacular views of the sea and tropical sunsets. Just a 30-minute drive to the north of Phuket airport, this beachfront villa offers an ideal base for exploring the jungles, coconut-palm landscapes and endless beaches of the Andaman coast.

With its bright, fresh design and modern comforts, North Villa is an inviting haven where guests can unwind and settle into a sea-breezy holiday mood. Its high-ceilinged open-plan living pavilion with a lounge, large kitchen and dining area opens fully to a terrace with a glittering 12-metre pool, lounging sala and sunbeds. Each of the five bedrooms has a private bathroom, with outdoor showers in the two ocean-view bedrooms on the top floor. A choice of king, twin, bunk and sofa beds comfortably accommodate up to 12 guests.

North Villa's team of full-time staff and a wealth of facilities offer everything you need for an immersive, unforgettable tropical Thai holiday. Enjoy the fresh coastal air and sunshine with the villa's kayaks, beach volleyball equipment and bicycles. Dine on exquisite Thai meals prepared by the villa's skilled full-time chef. And for those wishing to indulge in a restorative massage session in the privacy of the villa, take a yacht cruise around Phang Nga Bay, or explore the pristine waters of the Similan Islands, the villa manager is there to help with bookings.

North Villa shares a spacious seafront lawn with its 'twin', the five-bedroom South Villa, and if both villas are booked together their living areas can be seamlessly connected by sliding back the panels that divide them. As a pair, these villas offer a superb 10-bedroom escape for families or groups, as well as an exceptional venue for weddings and events.

### **Location**

With its absolute beachfront location, North Villa at Twin Villas Natai is perfectly positioned for enjoying sea swims, kayak paddles or long strolls along Natai's 10-kilometre length. With just a few neighbouring villas and the nearest resort half a kilometre away, the beach is largely free of other people. Beyond the villa, guests could take a bicycle ride through Natai's scenic landscape of coconut palms and buffalo fields, charter a yacht to discover the towering limestone islands of Phang Nga Bay, or explore the tropical marine life of the Similan islands on a diving or snorkel trip. There's no nightlife in the area, but Baba Beach Club (2km) and Iniala Resort (3km) offer cocktails, dinner and good brunches, and the bright lights of Patong Beach and Phuket town are about 50km away. The nearest town, Khok Kloi, has a few shops, banks and cheap

local eateries.
