Located just 25 minutes from Phuket Airport is this luxurious, six-bedroom beachfront villa. Part of the exclusive Jivana Villas estate situated on the unspoilt Natai Beach, this contemporary Thai-styled paradise offers spacious indoor and outdoor living, vast garden landscapes with breezy salas for dining and lounging, a stylishly designed 25-metre infinity pool and a family room equipped with WiFi and TV. Complete with a full team of professionally trained, welcoming staff that includes: villa manager, Thai chef, concierge team, groundskeeper and 24-hour security, this ideal destination villa is perfect for holidaying families and friends and for hosting special events.

With a pristine beach on your doorstep there is really little need to explore further. Natai Beach is stunningly beautiful with crystal clear waters, white sands and gentle waves (depending on the time of year). The 'millionaires row' upon which Jivana Villas estate is found is an exclusive community of luxury properties which attracts many expatriates living in Phuket, Bangkok and the Asia region. The whole area is spotted with private villas and a handful of resorts enjoying seclusion that is becoming increasingly difficult to find in the Phuket area. Amazingly, the approach to the villa is dominated by fishing villages, roaming livestock and traditional farms and has a wonderfully local feel. The area is pretty remote, with almost no shops or restaurants apart from a mid-sized Tesco-Lotus store for basic grocery items. Most provisions need to be sourced from Phuket, so use the shopping list provided and ensure that the kitchen staff are well briefed about your requirements.
