Pigeon Forge 10

🛏️ 4 🍽️ 3.5 👥 15

This pet-friendly 4-bedroom, 3.5-bathroom cabin offers enough luxury living space to sleep up to 15 guests in the Hidden Springs Resort of Pigeon Forge, Tennessee, offering access to the community pavilion with picnic tables and charcoal grills.

Inside, you will find a spacious, open-plan living area, dining area, and kitchen with a seated breakfast island. The living area features comfortable sofas, a coffee table, a large flat-screen TV and an electric fireplace to provide an intimate atmosphere, as well as large windows to frame the beautiful outdoors. The kitchen is fully-equipped with all the necessary appliances for you to cook up your favorite meals, and coffee aficionados will really enjoy the provided coffee maker.

The cabin also features a well equipped game room, offering a pub table for card games, an arcade game, and a pool table. This is in addition to a separate media space, with a large flat-screen TV and comfortable sofa, ideal for enjoying the big game.

Outside, two private decks offer great spots to take in the fantastic views on offer. Be this from the rocking chair or the hot tub, you will really learn to appreciate nature while staying in this stunning vacation rental. Also found in the exterior areas of the home are a charcoal grill and outdoor dining areas, allowing you to cook up and enjoy a meal alfresco-style while taking in the mountain scenery.
