

📍 Pigeon Forge

Pigeon Forge 14

🏠 5 📄 4.5 👥 16

This 5-bedroom, 4.5-bathroom cabin is ideally located, offering fantastic mountain views and enough luxury living space to sleep up to 16 guests comfortably.

Upon entering the home, you will be greeted by a delightful open-concept living area with comfortable sofas, a wall-mounted flat-screen TV, ceiling fans and a gas fireplace for the cooler evenings. Large windows allow plentiful natural light to enter the property and offer stunning mountain views throughout the day.

Directly beside the living area, you will find a fully-equipped kitchen with stylish black kitchen appliances and a coffee maker. Due to the open-plan design of the home, the chef of the group does not have to miss out on any of the conversations taking place in the living room and will still be able to enjoy the fantastic views while cooking up breakfast on the stove.

One of the highlights of the cabin is the downstairs game room. Here, you can take on your fellow guests at a pool tournament on the full-size pool table, challenge the high scores on the arcade machine, or enjoy the big game on the wall-mounted flat-screen TV. Countless hours of enjoyment are sure to be found in this area of the home.

Outside, the back deck provides a fantastic spot to marvel at the phenomenal views of the Great Smoky Mountains. Here, you will find a gas grill, perfect for a family barbecue, as well as an outdoor hot tub for you to enjoy a dip among nature.

4-wheel drive is recommended for this cabin.
