Pigeon Forge 34

🛏 12 🚿 13.5 👤 58 🏠 6292 sq.ft

Your gorgeous Pigeon Forge getaway in the Hibernation Station community. A modern cabin exterior with beautiful wooded views pairs perfectly with luxurious interiors, high-end amenities, and an impressive lineup of conveniences that will make you feel right at home - but even better - in this sprawling 12-bedroom, 13.5-bathroom lodge for up to 58 guests!

The views seen from this cabin will be etched into your memory, with the Smokies in the distance and gorgeous, lush hills rolling below. As you soak in the amazing views, sit in the Adirondack chairs around the firepit on the deck for late-night chats, and spread out on the covered deck (with recessed lighting) to enjoy rocking chairs and outdoor meals (made on the grill) at the picnic table here.

If you love the exteriors, you're sure to be blown away by the interiors of this cabin, boasting a private indoor pool with waterfall features and stone wall, a chic living room with a big screen TV and beautiful views, a fun theater room with a big screen TV and DVD player, a pool table and arcade games, and a gorgeous fully equipped kitchen decked out with a huge eat-at island, double appliances (2 refrigerators, 2 stoves/ovens, 2 dishwashers, etc.), and tons of dining space looking out over the hills.

Each space including the bathrooms has been designed with style and function in mind. Sit down at the large dining tables for group meals or board games at night, relax in the beautiful bedrooms after busy days playing downtown, clean up in the spa-like bathrooms, enjoy TVs in the bedrooms, cozy up in front of the electric fireplace, and take advantage of conveniences like a washer/dryer and wireless internet!
