A stylish and romantic hideaway in the heart of Seminyak, Villa Ubud is just 500 metres from a sweeping sandy beach, and has the best of Bali's world-class restaurants, bars and boutiques right on its doorstep. An elegant design highlights contemporary tropical living, with a private swimming pool in an enchanted garden setting, open-plan living area, spacious master bedroom with sunset terrace and optional second bedroom/TV lounge. As one of four luxurious Lakshmi Villas, Ubud can be rented alone, or combined with the other villas, to create up to a total of seven bedrooms.

Villa Ubud is nestled within the luxurious and secure Laksmana Enclave in Petitenget and has great access to the area's many facilities. Walking 250m down the driveway will bring you to several nice coffee shops, boutiques and affordable restaurants. Five-star hotels with fine-dining restaurants line the opposite side of the road. By turning right you can access the beach (500m) at Petitenget Temple. Here you will also find the beachfront La Lucciola - great food and one of the best restaurant views on the island. Be sure to check out Bodyworks Spa (300m) too; a favourite with expats. When you turn left from the driveway a row of shops will lead you to the famous beachfront dining and lounge venue, Ku De Ta. A whole slew of great restaurants and nightspots can be found in either direction within two kilometres of the villa. Taxis are reliable, cheap and plentiful.
