Seminyak 6646 - Sayang d'Amour

🏠 6 📅 6 👥 12

This majestic 6-bedroom villa, in the very heart of chic Seminyak and just a stones throw from world-class restaurants and beaches, is without doubt one of the most striking on the island. Guests will be transported to a bygone era of luxury in this villa with its Moroccan inspired design featuring turquoise blue tiles, graceful arches with shuttered windows and the finest hand-selected French antiques, all set against the backdrop of a sprawling tropical Balinese garden. This is a villa for grand living: sophisticated gatherings around the pool, elegant dinner parties or a long soak in the antique four-claw bath.

From the villa's gate, a two-minute stroll brings you onto Jalan Petitenget and the marvellous Sarong restaurant (booking in advance is essential). Within a kilometre, you will find numerous other restaurants, including Merah Putin for upmarket Indonesian cuisine, Bonita for a cheap and cheerful selection of Indonesian dishes, Mantra for a vegetarian and seafood selection, Dahana offering Japanese cuisine, Biku offering Asian delights, the famous Ku De Ta and Potato Head beachclubs, the classy W Retreat with a choice of fine dining restaurants and wonderful Sunday brunches, and the long-established, beachside La Lucciola. Petitenget Beach is the northern extension of the sweeping Seminyak Beach, offering awesome sunset views and wonderful walks in both directions all the way to Kuta or Canggu, complemented by the many beachside cafes and restaurants en route. For nightlife check out Mint, and for shopping there are numerous boutiques within walking distance and beyond. The nearby Pepito's supermarket is good for provisioning, ATMs are nearby and easy to find, and taxis cruise by continuously.
