# Seseh Tanah Lot 6709 - Seseh Beach Villa II

🏠 6 🛏 6 👥 12

Seseh Beach Villa II is a contemporary, six-bedroom holiday villa that sits just back from the sands of Seseh Beach in south-west Bali. Combined with its adjoining five-bedroom beachfront sister villa, it is an ideal venue for large weddings or special events for 100 guests. With a full complement of staff, luxurious accommodation including a childrens bunkroom, lots of facilities, indoor and outdoor dining rooms and a bar area, and a private pool with sun decks and relaxation pavilion, the villa is well-suited to family groups or large groups of friends who wish to relax in peace and quiet.

Located 100 metres back from its namesake beach in the village of Seseh on Balis south-west coast, Seseh Beach Villa II sits directly behind Seseh Beach Villa I. Seseh is a traditional village that has a very strong sense of community and still retains the customs and culture of old Bali. There are no sophisticated facilities in the area, so activities will be limited to walks on the beach (its not very safe for swimming), or gentle hikes through the glorious rice fields. Alternatively, you can join in with some of the village activities, watch the temple processions, or befriend the staff and get invited to ceremonies. Along the beach road are a handful of other private villas and a walk through the village will take you past local homes, a couple of warungs (local cafes) and some basic local grocery stores. For shopping and nightlife, the villas driver is on hand to whisk guests to Seminyak, or to the ever-expanding restaurant scene in nearby Canggu, or to Tanah Lot, where the spectacular and much photographed Tanah Lot sea temple awaits.
