Ocho Rios

Situated on the North coast of Jamaica, former fishing village Ocho Rios is now a charming port town, popular with many cruise lines. Famed for its many beautiful beaches, Ochos Rios is also home to some of Jamaica's best waterfalls. There are plenty of tours, excursions and activities to ensure visitors to the island can experience the true Caribbean culture. The majority of the shoreline is fringed by a reef, making it perfect for snorkelling and scuba diving; the calm, clear waters also provide ideal conditions for watersports and sailing. Also known for its local art, crafts and shopping, Ochos Rios is a great place to embrace true Jamaican beauty and culture.
