Set on a hillside above Surin Beach, Baan Bon Khao is a tranquil escape with fabulous sea views. This stately four-bedroom villa combines Northern Thai and contemporary style, and will appeal to families and groups of friends. The infinity-edge pool is the spot for catching spectacular sunsets, and the surrounding terraces, dining and living room pavilions offer lavish areas to unwind. A jacuzzi in the master suite and bathtubs in the guest room ensuites further enhance the relaxed, romantic feel. Service is exceptional here, with a full complement of staff including a villa manager, chef and driver.

Baan Bon Khao sits near the top of the hillside on the Ayara Surin estate, with Surin Beach a quick shuttle trip away with the villas minivan. Within walking distance of the villa are some of Phuket's best-known dining spots including Catch Beach Club and Taste (both on the beach) and Oriental Spoon at the Twinpalms resort - a favourite Sunday brunch destination. You'll find some unique gifts and clothing at Surin Plaza, and boutique shops lining the nearby streets. If exploring beyond Surin Beach, the eight-kilometre Bang Tao Beach with a surf shop and plenty of seaside activities is a short drive away, or if you're in the mood for a mini-trek, look for Laem Singh Beach, a tiny gem of a beach in a hidden cove just up the road.
