Good to know

- Guest Access: 24/7 Guest access with easy self check-in Smart Lock technology.
- Although this property is perfect for entertaining, for liability purposes, only registered guests are allowed after quiet hours. We have a ZERO TOLERANCE Party & Event Policy. The City of Tempe takes noise disturbances very seriously and can result in fines & the removal of this listing from the various platforms.
- Properties may include a NoiseAware noise alert monitoring system to ensure that neighborhood noise levels are respected. It does NOT record actual sounds or conversations; it simply monitors the noise level (measured in decibels).
- Pool heating system runs on propane and is VERY expensive to operate. We do charge a fee (\$100/night or \$500/wk) to have the pool heated during your stay. Please communicate if you'd like the pool heated as this requires advanced notice in order to be toasty warm at arrival.
- A Ring Camera doorbell is installed to monitor REAL occupancy and for emergency situations only. No other security cameras or recording devices are present on the property.
