

📍 Ubud

Ubud 6679 - Villa San

🛏 6 🚿 6 👥 12

In central Bali, near Ubuds Royal Palace and only minutes from sensational shopping, superb spas, classic cultural performances and luxuriant rice fields, Villa San lies in a private and serene oasis. With open-sided living and dining areas, Villa San also features an entertainment lounge, gym, playroom, studio and meditation terrace, and comfortably accommodates 12 people in six large bedrooms nestled around a 25m lap pool - all set within lush tropical gardens. Friendly professional staff make guests feel totally relaxed at this spacious villa, which is particularly suitable for an extended family or a group of friends.

Beyond Villa's San's peaceful garden compound, Ubud is crying out to be discovered. The town and the small villages surrounding it are rich with culture and art. Many villages focus on a specific craft - such as woodworking, stone carving, ikat weaving or batik painting - which have provided the livelihoods of the inhabitants for several hundred years. Guests can visit, watch and, in many cases, take classes. Ubud is also home to great shopping and a delightful variety of high quality restaurants and cafes. The vast, bustling local Ubud Market is only 300m from Villa San's front door, opposite The Royal Palace, where cultural performances are held nightly, and the Ubud Writers Festival is launched every year in October.

Location

Villa San is a stone's throw from Ubud's Royal Palace - where cultural performances are held nightly - and very convenient for many of Ubud's favourite treasures and attractions. While the property itself is very quiet and private, a vast, bustling local market is only 300m from the front door while a delightful variety of high quality restaurants and caf  s can be found in and around the centre of town.

Ubud and her surrounding small villages are rich with culture and art. Many villages focus on a specific craft - such as woodworking, stone carving, ikat weaving or batik painting. These crafts are not just for the tourists, they have formed the livelihoods of these Balinese villagers for several hundred years. Guests can visit, watch and in many cases take classes - learning to cook local food, carve a wooden mask, dye a batik scarf, dance in a traditional performance, play an ancient brass musical instrument, or attend a life drawing session.
